

This Privacy Policy explains how Opu Labs, Inc. (“Opu Labs” or “We”) uses personal and other information We collect from you when you visit opu.ai (the “Site”) or use any Opu Labs application (each such application, an “App”). Your access to and use of the Site or any App are subject to the Terms of Use which may be found at <http://opu.ai/terms>. The terms Opu Labs and We include Opu Labs, Inc., a Delaware corporation and its subsidiaries and affiliates. All terms not defined herein are defined in the Terms of Use.

1. TYPES OF INFORMATION WE COLLECT

- **Personal Information:** We collect personal information you provide to Us through the creation and use of an account on the Site or any App. Such personal information may consist of your full name, username, password, email address, social media username, address, country of residence, age, credit card or bank information, photographs or communications you send to Us or submit to the Site or any App (“Personal Information”).
- **Aggregate and Anonymous Data:** Aggregate and anonymous data is information that does not identify you specifically, including data collected automatically when you enter the Site or use an App (“Non-Personal Data”). This may include cookies, pixel tags, web beacons, browser analysis tools, and web server logs. This also includes information from the devices you use to access Our Site or any App, your operating system type or mobile device model, browser type, domain, and other system settings, as well as the language your system uses and the country and time zone of your device. Our server logs may also record the IP addresses of the devices you use to interact with the Site or any App. We may also collect information about a website you were visiting before you came to the Site and any website you visit after you leave the Site, if this information is supplied to Us by your browser. We may also use software tools, such as Javascript, to measure and collect session information, including page response times, download errors, and methods used to browse away from the page. Non-Personal Data also includes some data collected by location services.

2. COOKIES

A cookie is a string of information that a website stores on a visitor’s computer, and that the visitor’s browser provides to the website each time the visitor returns. We use cookies to help identify and track visitors, their usage of the Site, and their website access preferences. If you do not wish to have cookies placed on your computer, you should set your browser to refuse cookies before using the Site, with the drawback that certain features of the Site may not function properly without the aid of cookies.

3. USE OF PERSONAL INFORMATION AND NON-PERSONAL DATA

We use Personal Information and Non-Personal Data to:

- build, operate, and improve the Site, Apps, and the Services;
- perform user analytics;
- provide customer support;
- communicate with you and provide additional information that you request or may be of interest to you;
- contact you about our own and third-parties' goods and services that may be of interest to you;
- send you reminders, technical notices, updates, security alerts and support, and administrative messages;
- >manage Our everyday business needs such as Site or App administration, analytics, fraud prevention, or to comply with the law;
- carry out our obligations and enforce our rights arising from any contracts entered into between you and us, including for billing and collection.

4. STORAGE OF PERSONAL INFORMATION

Personal Information of users from the European Union is processed and stored in the European Union. We identify users from the European Union based on your IP address.

5. DISCLOSURE OF PERSONAL INFORMATION AND NON-PERSONAL DATA

Except as provided herein, we will not display on the Site or any App, or otherwise disclose your Personal Information to any third parties unless it is necessary to provide the Services or support our business, when required by law, or:

- to comply with current judicial proceedings, a court order, or legal process served on Us;
- to protect and defend Our rights, property, and interests, including by enforcing Our agreements, policies, and Terms of Use;
- to respond to claims that any submitted content violates the rights of third parties;
- to respond to your requests for customer service;
- to protect the rights, property, or personal safety of Opu Labs, its members, and the public;
- in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business by another company, or
- with your consent to share the information.

We may also provide your personal information to third parties to market their products or services to you if you have not opted out of these disclosures.

We may share Non-Personal Data with analytics companies to learn information about how Our users interact with the Site or any App. This enables Us to optimize the Service and improve Our efforts. See also "Third Party Analytics" in Section 8 below. We will never sell your Personal Information or Non-Personal Data.

6. ACCESS TO AND CHOICES REGARDING YOUR PERSONAL INFORMATION

- If you are a citizen of the European Union and want to exercise your rights under article 15 of the General Data Protection Regulation, please send an email to support@opu.ai.
- You can opt out of receiving emails from Opu Labs by following the instructions on how to unsubscribe included in an email from Opu Labs or by sending an email to support@opu.ai.
- If you do not want us to use your information to contact you about our own and third-parties' goods and services that may be of interest to you, you may adjust your user preferences by sending an email to support@opu.ai.
- If you do not want us to provide your personal information to third parties to market their products or services to you, you may adjust your user preferences by sending an email to support@opu.ai.
- You can modify or delete the Personal Information you have provided to us by logging in and updating your profile. We will retain your information only for as long as needed to provide you the Services or as long as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements.
- California Civil Code Section § 1798.83 permits users of the Site or any App that are California residents to request certain information regarding our disclosure of personal information to third parties for their direct marketing purposes. To make such a request, please send an email to support@opu.ai

7. SECURITY OF PERSONAL INFORMATION

We employ generally accepted industry standards to protect your personal information and We continuously strive to protect your information and privacy as much as We can. Unfortunately, no data transmission over Wi-Fi, the Internet, or cellular service can be 100% secure. As a result, we cannot guarantee or warrant the security of any information you disclose or transmit to Us on the Site or any App.

8. THIRD-PARTY ANALYTICS

This Privacy Policy only addresses the use and disclosure of information by Opu Labs. We may use analytics services to help Us analyze the information We have collected from you. These analytics services may use cookies, web beacons, and other devices and technologies to track traffic data. Data that they collect typically includes, but is not limited to, your IP address, your ISP, and the browser you use to visit our Site. This Privacy Policy does not apply to, and We are not responsible for, such technologies placed by third-party analytics services.
